Gifts of Securities

Many donors find gifts of securities to be a financially sound and convenient way to benefit Americares, and we have made the process easy for you.

For marketable securities, please refer to the transfer instructions below.

For non-marketable securities (non-publicly traded, restricted, etc.), please contact our Donor Relations Team at (800) 486-4357 for further information.

Please consult your tax advisor and/or financial consultant when considering a donation of securities.

To contribute STOCK:

Your broker can electronically transfer the marketable securities directly to Americares account at The Northern Trust Company as follows:
